## **Section 1: Data Controller**

This Policy document constitutes the Elopsis Electronic Optronics Defense Systems Corporation, having its registered office at the following address “Yıldızevler Mah. Cezayir Cad. No:16/A Çankaya/Ankara” (hereinafter referred as the “Company” or “ELOPSIS”) CCTV Policy and aims to provide information relating to purposes for which we gather and process personal data pursuant to Law No 6698 on Personal Data Protection (hereinafter referred as “Law”, in order to be transparent and accountable to data subjects in relation to the processing of CCTV data in accordance with Article 10 of the Law. Accordingly, the purposes for which our Company processes personal data, to whom and for what purposes the processed data can be transferred, our personal data collection methods and legal reasons and the rights of the data subject may be found below

## **Section 2: CCTV recordings and legal basis**

2.1 This CCTV Policy applies to the premises owned or controlled by ELOPSIS. For the avoidance of any doubt, this Policy has no application to premises not in the ownership or control of the Company (e.g. external institutions).

2.2 In this section, we give you detailed information about the type of CCTV image we collect, why we use CCTV and what we do with CCTV recordings/images, and the lawful basis relied upon.

2.3 We use CCTV (video only, no audio/sound-recording) on our premises, at internal and external points. CCTV cameras are mounted on fixed-points, with no auto-tracking capabilities.

2.4. For the avoidance of doubt, it is our corporate policy that CCTV monitoring/profiling of an individual based on any of the following characteristics is prohibited:

- Age
- Civil status
- Disability
- Gender
- Membership to a trade union, political party etc.
- Race
- Religion
- Sexual orientation

1.5.CCTV will be utilized in a fair and ethical manner. The location of cameras is a key consideration. Use of CCTV to monitor areas where individuals would have a reasonable expectation of privacy (e.g. bathrooms, changing rooms, etc.) is considered by ELOPSIS to be unjustifiable and unethical.

1.6.ELOPSIS has endeavored to select locations for the installation of CCTV cameras which are least intrusive to protect the privacy of individuals. Cameras placed so as to record external areas are positioned in such a way as to prevent or minimize recording of passers-by or of another person's private property.

2.7. In any area where CCTV is in operation, there will be a prominent sign displayed notifying people of same. For the avoidance of any doubt, there shall be no covert CCTV recording.

2.8. A data protection impact assessment (DPIA) is undertaken when installing or making adaptations to CCTV systems where the processing is likely to result in a high risk to the rights and freedoms of data subjects.

2.9. The purposes of CCTV and the legal basis of same are set out below:
