ELOPSIS ELECTRONIC OPTRONIC DEFENSE SYSTEMS CORPORATION

Website Privacy Notice

Elopsi Electronic Optron Defense Systems Corporation (hereinafter referred as the “Company”) is aware of its obligations under the Law No. 6698 on Personal Data Protection (KVKK, hereinafter referred as the “Law”) and is committed to processing your data securely and transparently. Company takes necessary administrative, technical and legal measures to ensure that your data is processed and retained according to law and transferred in a secure manner. This privacy notice sets out, in line with data protection law, the types of data that we hold on you as a visitor of our website. It also sets out how we use that information, how long we keep it for and other relevant information about your data.

This Notice aims to inform you of how Company uses the personal data we collect from you when you (“Visitors”, “Data Subjects”) use our web site (<https://www.elopsis.net/>) , pursuant to the Law and Company’s Data Protection and Processing Policy. Please read this privacy notice carefully as it contains important information on who we are and how and why we collect, store, use and share your personal data. It also explains your rights in relation to your personal data and how to contact us or supervisory authorities in the event you have a complaint.

You can enter and navigate the website without providing any personal information. Unless you visit the site with your username and password, it will remain anonymous and it will not be possible for us to identify you.

When you visit our web pages, our web servers always temporarily save for connection and set up and security purposes the connection data of the computer connecting to our site, a list of the web pages that you visit within our site, the date and duration of your visit, the IP address of your device, the identification data of the type of browser and operation system used as well as the website through which you linked to our site. Additional personal information such as your name, address, telephone number or e-mail address is not collected unless you provide this data voluntarily, e.g. while completing an online contact form, as part of a registration, survey, competition, fulfillment of contract or an information request. The legal basis for the processing of the aforementioned data categories is our legitimate interest to guarantee security and a smooth connection setup, to check the effectiveness of our services, to optimize them and tailor them to the needs of the users, as well as to correct errors and to carry out legally required duties such as our legal obligations emanating from Law No. 5651 on the Regulation of Internet Broadcasts and Prevention of Crimes Committed through Such Broadcasts, Law No 6698 on Protection of Personal Data and Network and Information Security Regulation in Electronic Communication Sector, Law No 6563 On The Regulation Of Electronic Commerce, Turkish Penal Code(Law no. 5237), Law No. 6698 on Personal data Protection and relevant regulations.

Our legal basis for processing your personal data are as follows: your express consent, which we may request from time to time, our legitimate interests, provided that it does not harm

your fundamental rights and freedoms, provided that it is directly related to the execution of the contract we have established with you, carry out legally required duties prescribed in the laws listed above and other legal obligations, the contractual relationship we have established with you.

We do not need your consent in order to carry out our legal obligations or exercise specific rights in law. However, we may ask for your consent to allow us to process certain data. If this occurs, you will be made fully aware of the reasons for the processing. As with all cases of seeking consent from you, you will have full control over your decision to give or withhold consent and there will be no consequences where consent is withheld. Consent, once given, may be withdrawn at any time. There will be no consequences where consent is withdrawn

Generally, we will rely on the first two reasons set out above to process your data. For example, we could to collect your personal data in order to:

- ensure our administrative and IT systems are secure and robust against unauthorized access.
- in order to endeavor that the website is compatible and accessible by all authorized computers, mobile devices and internet browsers

In individual cases, our data processing takes place by using so-called hosting providers, which provide us with storage space and processing capacities in their computer centers and also process personal data on our behalf in accordance with our instructions. These service providers process data either exclusively in Turkey, or we have guaranteed a reasonable level of data protection with the assistance of the EU standard data protection clauses.

We transfer personal data to state authorities (including criminal prosecution authorities), should this be necessary to fulfil a legal obligation to which we are or should this be necessary in order to assert, exercise or defend legal claims.,

Where we share your data with third parties, such as service providers (e.g. hosting, web page design) and shareholders and business affiliates, we provide written instructions to them to ensure that your data are held securely and in line with legal requirements. Third parties must implement appropriate technical and organizational measures to ensure the security of your data.

Data Security and Confidentiality

We are aware of the requirement to ensure your data is protected against accidental loss or disclosure, destruction and abuse. We have implemented processes to guard against such. Please refer to our Data Protection and Processing, Data Breach Response Plan and Data management and Retention Policies for more details.

In order to ensure the appropriate level of security, Company implements necessary technical and administrative measures in accordance with Article 12 of the Law:

- To prevent unlawful processing of personal data,
- To prevent unlawful access to personal data,
- To ensure the protection of personal data.

For instance, your data is saved in a secure operating environment which is not accessible to the public. In certain cases, your personal data is encrypted by Secure Socket Layer technology (SSL) during transmission. This means that an approved encryption procedure is used for communication between your computer and Company servers if your browser supports SSL.

Although ELOPSIS takes the necessary information security measures, in the event that personal data is breached as a result of attacks on our web site and the system, the Company immediately notifies relevant data subjects and the Personal Data Protection Board and takes further measures.

Your rights in relation to your data

The Article 11 of the Law on data protection gives you certain rights in relation to the data we hold on you. These are:

a) the right to be informed. This means that we must tell you how we use your data, and this is the purpose of this privacy notice;

b) the right of access. You have the right to access the data that we hold on you. To do so, you should make a subject access request. You can read more about this in our Code of Practice for Subject Access Request which is available on our website as outlined above or paper copies can be obtained by mail to our correspondence address mentioned above for the attention of Data Protection Liaison Officer whose contact details are shown at the end of this privacy notice.
